

Balcones Songbird Nature Festival

April 27-30, 2012

a celebration of nature

Registration begins February 15!

PREMIUM TOURS
BIRDQUEST, FIELD GUIDES, and VENT
(Victor Emanuel Nature Tours) are leading tours in addition to our signature birding tours led by **TAS** *(Travis Audubon Society)*, **ABC** *(American Birding Conservancy)*, and other like-minded organization members.

Equally intriguing are the nature tours that include a ***Wildflower Identification for Beginners*** led by **NPSOT** *(Native Plant Society of Texas)* member, Joan Mukherjee , and ***Native Plants in the Landscape*** lead by Diane Sherrill of **NativeEarthscapes**.

Bring your friends and enjoy the tours with nature experts who can help you see the endangered songbirds, unique native plants and wildlife in the natural habitat of the Balcones Canyonlands National Wildlife Refuge.

Sunday is our '**always FREE**' Family Events from Noon til 5:00 p.m.
Activities and exhibits to educate and delight children of all ages!
